**Request for help**

Parimatch Foundation is an international charitable organization established by Parimatch in 2019 to support sustainable long-term initiatives and projects in the territories of the Company's presence. It is part of the implementation of the corporate social responsibility strategy of the Business.

Our mission till 23th of February 2022 was to improve the health and well-being of society by providing children with equal opportunities and access to sports and education.

Since the beginning of the military aggression of the Russian Federation against Ukraine, we have been providing humanitarian aid with medicines, clothing, food, assistance with other requests we receive from the state of Ukraine and its state institutions, as well as addresses of medical and other organizations. We continue to accumulate all the necessary resources to help all those who need it most.

Today, we see the need to focus the efforts of the Parimatch Foundation on global issues together with the Governmental Departments, as following:

- organization of humanitarian corridors;
- counteraction to humanitarian catastrophe in hot regions in Ukraine;
- lobbying for a ceasefire and maintaining a regime of silence in peaceful settlements;
- providing targeted humanitarian aid to children and families affected by this war;
- humanitarian assistance in the appeals of the Commissioner for the Protection of Children's Rights and the Presidential Commissioner for Inclusion.

Every day, together with the entire Parimatch company, we continue to do our job, we will continue to help, and this help has already gone beyond just employees and their families.

We have united to help every inhabitant of Ukraine who is in trouble.

The Parimatch Foundation and Parimatch will do everything they can to end this war and humanitarian catastrophe!

We express our sincere gratitude for the provided assistance and understanding the significance of our work!
